

**MISSOURI AGRICULTURAL AND SMALL BUSINESS  
DEVELOPMENT AUTHORITY (MASBDA)**

**QUALIFIED BEEF TAX CREDIT PROGRAM**

**Guidelines and Procedures  
Section 1**

**Legal Authorization:** Chapter 135.679 RSMo (2007 Special Session).

**A. PURPOSE OF THE PROGRAM**

1. Provide Missouri beef cattle farmers with an economic incentive to background and/or finish Missouri born and raised qualified beef cattle in this state.

**B. ELIGIBILITY QUALIFICATIONS – CATTLE FARMER**

1. Any taxpayer (individual or entity) who:
  - A. Is subject to the tax imposed in Chapter 143, RSMo (excluding withholding tax imposed by sections 143.191 to 143.265, RSMo), or the tax imposed in Chapter 147, RSMo;
  - B. In the case of an individual, is a resident of this state as verified by a 911 address or in the absence of a 911 system, a physical address; and
  - C. Owns or rents agricultural property and whose principal place of business is located in Missouri.

Agricultural property means:

- any real and personal property, including, but not limited to buildings, structures, improvements, equipment, and livestock, that is used in or is to be used in this state by residents of this state for:
  1. The operation of a farm or ranch; and
  2. Grazing, feeding, or the care of livestock.

**C. ELIGIBILITY QUALIFICATIONS – QUALIFIED BEEF ANIMAL**

1. "Qualifying beef animal" means:
  - A. Any beef animal that is certified by the authority;
    - that can be verified with written birth records as being born in this state after August 28, 2008, and was:
    - raised and backgrounded in this state by the Missouri taxpayer; or

- raised, backgrounded, and finished in this state by the Missouri taxpayer;
- no more than thirty months of age as verified by written birth records.
  1. “Raised” means from the time of birth until weaned.
  2. “Backgrounded” means any additional weight at the time of the first qualifying sale, before being finished, so long as the additional weight is two hundred (200) pounds or greater than the established baseline weight.
  3. “Finished” means the period from backgrounded to harvest.
- animal whose primary purpose is for the production of beef, excluding those animals specific for breeding purposes.
- Dairy breed male calves.
- Qualified beef animals may be purchased versus home-raised provided they meet the requirements of the program.

B. Qualified beef animal must be age and source verified;

- Beef animals must be traceable to live animal production records.
- The records used to verify program requirements must meet one of the following criteria:

1. Provide proof of current status under a USDA approved Quality System Assessment (QSA) Program or a USDA approved Process Verified Program (PVP).
2. If proof of current enrollment in a USDA approved Quality System Assessment (QSA) Program or a USDA approved Process Verified Program (PVP) cannot be provided, the individual beef animal age and source verification process shall be:

a. Audit/Evaluate:

An auditor/evaluator trained and certified by the Missouri Department of Agriculture shall complete an audit/evaluation of the beef producer. The audit/evaluation shall be completed on a form provided by MASBDA and shall be certified by the auditor/evaluator that in fact:

- Beef animals have a unique individual identification;
- Records are sufficient to trace the individual animal back to farm records; and
- **Records indicate the actual date of birth of the animal and has records, that along with a unique identification system, within the beef industry, can accompany each animal through each qualifying and any subsequent qualifying sale.**

b. Verification:

1. Group age verification:
  - All animals within a group and born during the same birthing season must be individually identified;
  - Records must indicate the actual date of birth of the first calf of the birthing season;
  - The age of all calves within a group must be derived from the actual date of birth of the first calf born within the group;
  - Producers who have more than one (1) calving season during a year must implement a method of identification that ensures the calves from each season are identified, traceable, and controlled;
  - Producers who calve through the year must individually identify each calf and maintain individual dates of births; and
  - Artificial insemination dates and bull turn-out dates may be used only as a supplementary measure to verify date of birth.
2. Live animal production records:
  - Showing the actual date of birth must be supported by the producer's production practices and records; and
  - Records must be retained for a period of one (1) year past when the animal would have reached thirty (30) months of age.

**NOTE: Age and source verification must be done prior to the first qualified beef animal sale. Backward verification after the sale is not permitted.**

2. "Qualified sale" means: The first time a beef animal is sold in this state after being backgrounded.
3. "Subsequent qualified sale" shall mean: Any sale after the first qualified sale so long as the weight is greater than the prior sale weight.
4. "Baseline weight" means: The average weight, in the immediate past three (3) years, of all beef animals sold that are thirty (30) months of age or younger, categorized by sex.
  - a. The baseline weight will be established from the following documents:
    - Copies of ALL scale tickets and/or sales receipts of all Qualified Beef Animals thirty months of age or less, sold during the immediate past three (3) years by sex.
    - Year-end financial statements for each of the immediate past three (3) years.
  - b. The baseline weight, once established, will be effective for a period of three (3) years.
  - c. After the three (3) year period, a new baseline will be established based on the immediate past three years.
  - d. In the event the qualifying beef animal producer has fewer than three (3) years of

production, then the baseline weight shall be established by the available average weight in the immediate past years of all beef animals sold that are thirty (30) months of age or younger, categorized by sex.

- e. In the event the qualifying beef animal producer has no previous production, then the baseline weight shall be established by MASBDA on a regional basis based on beef animal sales reported by the Missouri Department of Agriculture, Market News

Service as follows:

- The state is divided into eight areas –

- The baseline weight is based on the county/area of residence of the beef

- producer.
- The baseline is a three (3) year weighted average based on the following weight groups in each of the eight (8) areas based on the following weight groupings:
    - 200 lbs – 600 lbs
    - 601 lbs and up feeder cattle
- f. In the event a qualified beef animal producer has retained ownership of the qualified beef animal through backgrounding and/or finishing out-of-state, the baseline weight shall be established by the average in-weight at the point of destination at the time of transfer out-of-state in the immediate past three (3) years of all beef animals that are thirty (30) months of age or younger, categorized by sex, provided the backgrounding and/or finishing is now completed in Missouri.
- g. Current qualified beef animal finishers may qualify for tax credits as follows:
- Modified baseline weight will be established by MASBDA on a regional basis of all backgrounded beef animal sales reported by the Missouri Department of Agriculture, Market News Service, as noted above.
  - Baseline number will be established based on the immediate past three (3) years finished beef animals sold.
  - In the event the qualifying beef animal producer has fewer than three (3) years of production, then the baseline number shall be established by the available average number in the immediate past years of all beef animals sold that are thirty (30) months of age or younger, categorized by sex.
  - In the event the qualifying beef animal producer has no previous production, then the baseline weight shall be established by MASBDA on a regional basis based on beef animal sales reported by the Missouri Department of Agriculture, Market News.
  - Tax credits will be calculated as follows:  
 (Most recent year number of beef animal sold minus baseline number) multiplied by (finished weight minus modified baseline weight) multiplied by \$.10 per pound provided the finished sale weight is two hundred (200) pounds or greater than the modified baseline weight.

<b>D. PRE-QUALIFICATION OF ELIGIBLE QUALIFIED BEEF ANIMAL PRODUCER</b>
--

1. Application review: MASBDA will only review completed applications.
2. Beef animal producer: All beef animal producers wishing to participate in the “Qualified Beef Tax Credit Program” must submit a completed Application for Qualified Beef Animal Tax Credits Eligibility (MO Form QBE) no earlier than January 1, 2008 and no later than August 1, 2008 along with an application fee of fifty (\$50) dollars. If an incomplete MO Form QBE is received prior to the August 1<sup>st</sup> postmark deadline but cannot be resolved by the August 1<sup>st</sup> deadline then the beef producer shall pay the additional twenty-five (\$25) dollars along with all required documents in order to become qualified. Any QBE (Qualified Beef

Producers Eligibility Application) postmarked after August 1<sup>st</sup> of each year shall submit an application fee of seventy-five (\$75) dollars.

3. Each January 1<sup>st</sup> through August 1<sup>st</sup> thereafter any beef producer not previously pre-qualified may submit a Qualified Beef Animal Tax Credits Eligibility (MO Form QBE) along with an application fee of fifty (\$50) dollars except that if a beef producer was qualified the previous year after the August 1<sup>st</sup> deadline then that producer shall be considered pre-qualified for the following two years. Any QBE (Qualified Beef Producers Eligibility Application) postmarked after August 1<sup>st</sup> of each year shall submit an application fee of seventy-five (\$75) dollars.

<b>E. ISSUANCE OF THE TAX CREDITS</b>
---------------------------------------

1. For all taxable years beginning on or after January 1, 2009, but ending on or before December 31, 2016 a taxpayer shall be allowed a tax credit for the first qualifying sale and for a subsequent qualifying sale of all qualifying beef animals.
2. The tax credit amount shall be ten cents (\$.10) per pound and shall be calculated as follows:
  - The qualifying sale weight minus the baseline weight multiplied by \$.10 per pound provided the sale weight is two hundred (200) pounds or greater than the baseline weight.
  - MASBDA may waive no more than twenty-five percent (25%) of the required two hundred (200) pound gain. The waiver shall be made on an individual basis and based only on any disaster declaration by the U.S. Department of Agriculture.
3. No later than March 1, 2010 the pre-qualified eligible beef producer must submit a Qualified Beef Tax Credits application along with the \$25 application fee for all qualified beef animals sold during 2009. Tax credits will be issued to pre-qualified beef animal producers on or about March 31<sup>st</sup>. Thereafter, no later than March 1<sup>st</sup> of each year the pre-qualified beef producer must submit a Qualified Beef Tax Credits application for all qualified beef animals sold during the immediate past year. Tax credits will be issued on or about March 31<sup>st</sup> of each year.
4. **The tax credits will be issued on an as-received basis from pre-qualified eligible beef producers until the fiscal year limit of \$3,000,000 is reached.** Any pre-qualified eligible beef producer not receiving an eligible tax credit will be placed on a waiting list. Their tax

credit will be issued as credits become available.

5. Any tax credits not issued to those pre-qualified eligible beef animal producers may be issued to any qualified beef animal producers filing an application for Qualified Beef Tax Credits Eligibility (MO Form QBE) after the August 1<sup>st</sup> deadline. Any available tax credits will be issued on an as-received basis until the fiscal year limit of \$3,000,000 is reached. Any qualified eligible beef producer not receiving an eligible tax credit will NOT be placed on a waiting list.
6. Any beef producer submitting a Qualified Beef Tax Credit application (MO Form QB) after the March 1<sup>st</sup> deadline shall only be eligible for tax credits if all \$3,000,000 are not issued to pre-qualified eligible beef producers.
7. Any tax credits not issued in any fiscal year shall expire and shall not be issued in any subsequent years.

<b>F. LIMITATIONS OF THE TAX CREDITS</b>
--

1. \$3,000,000 in Qualified Beef Tax Credits are available per fiscal year (July 1 – June 30).
2. Revocation or Repayment of Tax Credits: MASBDA may recapture, in full or part, the value of any credits issued to a qualified beef animal producer if any representation made by the applicant to MASBDA proves to have been false when made. Any qualified beef animal producer making a fraudulent claim shall be subject to penalties of perjury. Liability for repayment or recoupment of tax credits for any misrepresentation remains with the original tax credit owner.
3. The amount of tax credit claimed shall not exceed the amount of the taxpayer's state tax liability due under Chapters 143 and 147 RSMo, excluding withholding tax imposed by section 143.191 to 143.265 RSMo, for the taxable year for which the credit is claimed. The tax credit is not refundable.
4. The tax credit shall be claimed in the taxable year in which the qualifying sale of the qualifying beef animal occurred. Any amount that cannot be used may be carried forward to any of the taxpayer's five (5) subsequent taxable years and carried backward to any of the taxpayer's three (3) previous taxable years.
5. Tax credits may be assigned, transferred, sold or otherwise conveyed. If a tax credit is assigned, transferred, sold or otherwise conveyed, a notarized endorsement shall be filed with MASBDA specifying the name and address of the new owner, in which case the new owner shall have the same rights in the tax credits as the original owner.

<b>G. OTHER INFORMATION</b>
-----------------------------

1. The Authority is authorized by Section 135.679 RSMo, to keep the information provided under this section confidential and shared with no one except state and federal animal health officials, and shall not be disclosed except by court order, subpoena or as otherwise provided by law.
2. Audit: The Authority reserves the right to audit any approved qualified beef producer's production records to ensure compliance with program requirements.
3. Records maintenance: The qualified beef producers must retain all documentation related to the birth, raising, backgrounding, and finishing for a period of one (1) year past when the qualified beef animal would have reached thirty (30) months of age.
4. Additional Information: The Authority reserves the right to request additional information from the qualified beef animal producer to document or clarify items submitted in the application.
